

Dr. Chippin...

...does not charge for missed appointments.

An ongoing pattern of missed appointments may result in discharge from the practice.

...does not do renewals without assessment.

It is your responsibility to contact the office at least two weeks **before** you run out.

Make sure you have enough medication to last until your next appointment!

Please bring all medications to each visit.

...has a policy for addictive medications and controlled substances.

For your safety and health, Dr. Chippin practices Evidence-Based Medicine when prescribing addictive medications and controlled substances like Percocet, Concerta, zopiclone, and lorazepam.

You may be subject to medication changes, urine drug monitoring, short dispensing intervals, and/or frequent assessments while on these medications.

...takes privacy very seriously.

Please let us know if we can talk about your health with anyone other than yourself.

If you have a power of attorney (POA) for healthcare, please bring a copy to the office.

...does not talk to drug reps.

He has no financial ties to drug companies.

...needs up-to-date information to contact you.

Please let us know if you get a new health card, move, change your phone number, or change your email address.

...tries to run on time.

Please let us know why you are coming to see the doctor, so we can book enough time to address your concerns properly.

...asks you not wear perfume or cologne in the office.
